OR you may prefer to do a self-guided cycle day....

(optional) Hastings Golf Club

Experience world class golfing in sunny Hawke's Bay. Hastings Golf Club is ranked amongst the top 10 club courses in New Zealand, with impeccable championship course conditions, set amid picturesque surroundings. As the most spectacular club course in Hawke's Bay, Hastings Golf Club offers an unforgettable golfing experience, with impeccable course conditions that will impress even the most avid, well travelled golfer.

(optional) Cape Kidnappers Golf Course

This unique golf course has very interesting holes you wouldn't find anywhere else in the world, due to the dramatic landscape of the course. It's an overwhelming experience to stand up on the cliffs, 140 meters above sea level, and look out across the waves far below in Hawke's Bay.

Cape Kidnappers is not true links terrain, with the wrinkles of sand dunes; instead the land tilts toward the sea as a series of ridges jutting out toward the edge of the cliffs. Yet, the play is seaside golf at its finest. The surface is firm and fast, the conditions can be windy, and the player who can control her trajectory will be master of the course. You'll hit shots over the tops of the tea trees, and play along the edges of deep ravines. It is an amazing experience!!

This is a one hour walking tour commencing from Napier's i Site (Visitors' Information Centre), Marine Parade and finishes at the Deco Centre, 7 Tennyson Street.

From Clive the trail continues to East Clive before turning inland through orchard country to Havelock North. A visit to Te Mata Estate and Black Barn Vineyard wineries is 'a must' on the final leg into Havelock North village. You will then be transferred by mini bus back to your accommodation.

Our tradition of guiding at Te Puia is something that we pride ourselves on. Many of the guides you meet can link themselves to Rotorua’s earliest guides and the stories they relay have been handed down for generations.

Te Heketanga ā Rangi (heavenly origins) - Your tour begins at the main entrance, where twelve monumental carvings reach skywards, representing twelve celestial guardians. Discover stories of our ancestors' arrival and settlement in Rotorua at our world class exhibition gallery at Te Puia.

Kiwi House - See our New Zealand flightless bird in a specially lit kiwi house with kiwi specialist guides at hand.

Te Whakarewarewa Thermal Valley - Explore our unique geothermal reserve with thermal activity ranging from boiling mud pools to the world famous 30 metre (100 foot) **Pohutu geyser**, which erupts up to 20 times a day.

Carving and Weaving Schools - Te Puia is home to the New Zealand National Carving and Weaving Schools. Te Wānanga Whakairo Rākau is where the prestigious art of carving is taught by Master Carvers. Te Rito, our weaving school, trains students in the art and skills of weaving. Watch the carvers and weavers as they carry out the traditions of their Māori ancestors.

Taonga Gallery and Gift Shop - Take home something unique and special from Te Puia. See a wide range of wood carvings, greenstone (New Zealand jade) carvings, woven items and other authentic Māori treasures (taonga).

Cultural performances include:

Pōwhiri (ceremonial welcome) - This is a ceremony of encounter between two parties who meet for the first time. Host warriors challenge the visiting party to find out their intentions. If these are friendly, the visitors are invited into the ancestral meeting house.

Hongi (ceremonial greeting) - The gentle pressing of noses symbolising the joining of two life forces creating an atmosphere of friendship and unity.

Kapa haka (cultural performance) - This performance celebrates the very best of Māori performing arts. It includes weaponry displays, action songs, the famed haka (challenge) and the graceful poi.

Titi torea (stick game) - This was a favourite pastime of old and young alike. Performers pass batons to and fro in time to the rhythm of the song, testing their skills of agility and hand-eye co-ordination.

Haka (challenge) - Before battle the warrior would summon all his strength to perform this challenge. Aggressive actions, such as bulging out the eyes, thrusting out the tongue and making guttural sounds, would serve to intimidate any enemy.

Waiata-a-ringā (action song) - Hand and body actions accompany songs, portraying traditional stories and legends in dance.
